### Please Mark Your Calendar

and plan for food and fun as we dedicate the Florida East Central Regional Rail Trail, our multi-use trail in northern Brevard County, a place where three major trail networks converge.

**Friday, February 23, 2018**

**10:00 a.m. - 11:00 a.m.**

**Temple Baptist Church**

**1400 North Washington Avenue**

**Titusville, Florida 32796**

Expect networking, presentations and a ribbon cutting, along with your chance to see the trail up close and personal with a local guide (*options include a bicycle tour or a bus ride - to begin immediately following ribbon cutting at approximately 11:00 a.m.*). Enjoy the beautiful scenery along the trail and allow us to share information on the economic impact and lifestyle enhancements that trails are bringing to this community.

Friday's events will be *invitation only*, so watch for your electronic invitation, with more details, to arrive soon. There will also be a huge community celebration on Saturday, February 24th. If you'd like more information on the Saturday activities, contact us [HERE](#).

### Converging Trails:

- **The Coast-to-Coast Trail** (*heading over the new Garden Street bridge and running north along U.S. 1*) is part of a 275-mile trail that will link Titusville with St. Petersburg. Titusville is the southern tip of the 260-mile
- **St. Johns River-to-Sea Loop**. This merges with the
- **East Coast Greenway** that is one-third complete along its 2,900-mile route between Maine and Florida.
